## CAREGIVING ROOTED IN A RICH HISTORY.

With nearly a one hundred year history of care and compassion for the young and old, Albright Care Services continues to endure and expand its exceptional communities in Pennsylvania's Susquehanna Valley. Strongly affiliated with the Susquehanna Conference of The United Methodist Church, Albright is a faith-based non-profit organization fulfilling the mission to meet

and exceed the needs of today's new generation of older adult residents and future ones to come.

Mirroring the early days of serving orphans, the ill, and aged, Albright has continued a legacy of offering the highest quality of life and care to all demographics with the most progressive, passionate and innovative programming.

### OUR MISSION

To create the highest quality of life by encouraging purposeful living through personalized, progressive and compassionate communities deeply rooted in serving others.

### OUR VISION

We strive to continually cultivate an exceptional continuum of care that...

Fulfills a diverse range of human needs

Enriches external community relationships

Fosters positive healthcare partnerships

Upholds our Christian faith and philanthropy

## COMMITTED TO PROGRESS, PEOPLE AND PURPOSEFUL LIVING.

Albright Care Services is truly a caregiving pioneer. But Albright isn't content just keeping the status quo. For every Albright community, we continue to pro-actively seek new technologies, dynamic programming, medical advancements and living accommodations to meet a new generation of residents. Yet

always at the core remains the distinct desire to make a heartfelt human connection with every life we touch.

We are focused on enhancing our vibrant communities, diversifying our services and expanding our outreach to serve others with genuine and heartfelt care.

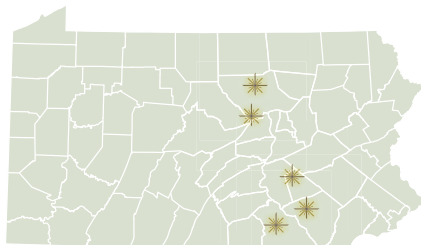

Albright is more than a place to live,  
more than the average healthcare provider,  
more than a routine way of life.

It's where life is lived with purpose  
surrounded by dedicated people  
who always put others first.

# *The lives we touch*

give us so much more back.

Together, our residents  
and staff make each  
community shine.

They inspire, lead and  
still dream big.

SO MANY WAYS TO *give.*  
SO MANY LIVES *touched.*

## A LEGACY OF GIVING.

The reason Albright's legacy continues to flourish and grow is because of the strong support it receives from its communities, leaders, partners and families. Throughout each year, Albright and its communities hold key fundraising events that generate the benevolent care funds needed to help residents with living expenses, medical and a healthcare needs - and so much more.

## CREATING A HIGHER QUALITY OF LIFE TOGETHER

Albright's Normandie Ridge and RiverWoods Auxiliaries were formed to improve the quality of life for residents. Made up of staff, the residents themselves and others in the communities, each organization provides services, equipment, and furnishings not covered by the community's budget, and also donates to the Benevolent Care Fund. Since their inception,

the two Auxiliaries have contributed more than half a million dollars combined for the benefit of the residents.

If you are interested in making a donation or volunteering your time with the auxiliaries, please contact Albright today at [giving.albrightcare.org/donate/](https://giving.albrightcare.org/donate/).
